

Norway-Leikanger: Building consultancy services

OJ S 183/2015 22/09/2015

Contract notice**Services****Directive 2004/18/EC****Section I: Contracting authority**

I.1. Name and addresses

Official name: Statens Vegvesen Region vest (The Norwegian Public Roads Administration, Western Region)

National registration number: 971032081

Postal address: Askedalen 4

Town: Leikanger

Postal code: 6863

Country: Norway

For the attention of: Franka Häussler

E-mail: firmapost-vest@vegvesen.no

Telephone: +47 2030

Fax: +47 57655986

Internet address(es):

Address of the buyer profile: <https://kgv.doffin.no/ctm/Supplier/CompanyInformation/Index/2687>

Electronic access to information: <https://kgv.doffin.no/ctm/Supplier/Documents/Folder/135876>

Additional information can be obtained from:

the abovementioned address

Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained from:

the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.3. Main activity

Other: transport and communications

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Procurement of planning and engineering design services — framework agreement. Project managers for ongoing assignments within planning and engineering design services — Stavanger/Haugesund.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Stavanger, Norway.

NUTS code NO043 Rogaland

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement : 3

Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between 7 000 000 and 21 000 000 NOK

Frequency and value of the contracts to be awarded: The assignments will be divided up according to assignment type and an attempt will be made to divide the assignments evenly between those who have signed a contract. The assignment value is difficult to estimate as a span has been given of the number of service providers and there is uncertainty in the degree of investment in the transport sector in the region.

II.1.5. Short description of the contract or purchase(s)

We are looking for assignments from consultants who can take on responsibility and assignments as a project, planning or engineering design manager for different planning and construction planning projects in order to meet an increasing number of assignments. The assignment primarily concerns control and management of projects in accordance with the Planning and Building Act (development plans, municipal sector plans, impact assessments /analyses), but it can also apply for construction planning projects. Applies to projects that the Norwegian Public Roads Administration carries out with its own organisation, but also where the Norwegian Public Roads Administration must procure consultancy services for planning and construction planning projects.

II.1.6. CPV code(s)

71315200 Building consultancy services, 71320000 Engineering design services, 71322500 Engineering-design services for traffic installations, 71356400 Technical planning services, 71541000 Construction project management services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

Estimated value excluding VAT:

Range: between 10 000 000 and 21 000 000 NOK

II.2.2. Information about options

Options: yes

Description of options: The contract period is 2 years, including an option for an extension of the framework agreement for 1 year.

Provisional timetable for recourse to these options:
in months: 24 (from the award of the contract)

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Start 1.1.2016. Completion 31.12.2017

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: The framework agreement terms are stated in the tender documentation.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: — Registered company — a company registration certificate is to be documented.

See the tender documentation.

III.2.2. Economic and financial ability

List and brief description of conditions: — The tenderer shall have the requisite economic capacity to fulfil the contract obligations. Documentation requirement: The company's annual reports for the last two years, with auditors declaration.

— Insurance. Tenderers shall have the necessary insurance for the requested services.

Documentation requirement: A insurance certificate and the insurance terms shall be presented to the contracting authority with the tender.

III.2.3. Technical and professional ability

List and brief description of conditions:

Technical and professional qualifications are required. This shall be substantiated by presenting CVs and a list of references.

— The tenderer shall have the requisite professional foundation to fulfil its contract obligations.

Documentation requirement: List of the service provider's executed contracts.

See the tender documentation.

Minimum level(s) of standards possibly required:

See the tender documentation.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited
