Framework agreement with several operators

Number Envisaged maximum number of participants to the framework agreement: 3

Duration of the framework agreement

Duration in years: 4

II.1.5. Short description of the contract or purchase(s)

Partick Housing Association Ltd. is a registered social landlord with housing stock throughout the west region of Glasgow.

It is the Association's intention to enter into a Framework Agreement with three contractors to deliver their Planned Maintenance, which shall include the following core services: kitchen, bathroom, window, electrical rewiring and void modernisation.

The Association may also look to the successful contractors to carry out remedial and refurbishment works to their commercial properties such as their office premises.

The total number of units owned by the Association included within the contract is approximately 1 700. We anticipate in the region of 15 void modernisation units during the course of the framework.

The Framework is to be let for a period of four years subject to satisfactory performance against published Key performance indicators.

It is envisaged the initial contract will commence circa the 1.4.2013.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at http://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=242368.

The awarding authority has indicated that it will accept electronic responses to this notice via a 'Tender Submission Postbox' facility. Further details of this facility are available at http://www.publiccontractsscotland.gov.uk/PostBox/Postbox_ Explain.aspx?ID=242368.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems. The postbox closes precisely at the time stated.

Start 1.4.2013. Completion 31.3.2017

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: Contractors wishing to apply for this Framework Agreement must be able to provide evidence of experience in successfully working on the following types of contract as the Main Contractor in the last 5 years:

1. Kitchen Replacement;
2. Bathroom Replacement;
3. Window Replacement;
4. Electrical Rewiring (full and partial);

5. Void Modernisation.

The Contractor must be able to demonstrate that it has carried out all of these work categories on at least three contracts in the last five years. The contracts listed do not have to include all work categories in the one contract, but must demonstrate Main Contractor experience of each work category in at least three contracts.

The Contracts put forward must be substantially complete and the Association must be able to obtain references from the respective Employers attesting to this.

The Contractor may sub-contract one of the work packages and is expected to supply directly employed labour for a minimum of four of the five work packages. Higher marks will be awarded to contractors who can offer all works packages using directly employed labour.

The Contractor must name the proposed sub contractors.

Contractors who carry out electrical rewiring must be a registered member of NICEIC or SELECT.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: (1) All candidates will be required to produce a certificate or declaration demonstrating that they are not bankrupt or the subject of an administration order, are not being wound-up, have not granted a trust deed, are not the subject of a petition presented for sequestration of their estate, have not had a receiver, manager or administrator appointed and are not otherwise apparently insolvent.

(2) All candidates will be required to produce a certificate or declaration demonstrating that the candidate, their directors, or any other person who has powers of representation, decision or control of the candidate has not been convicted of conspiracy, corruption, bribery, or money laundering. Failure to provide such a declaration will result in the candidate being declared ineligible and they will not be selected to participate in this procurement process.

(3) All candidates will be required to produce a certificate or declaration demonstrating that they have not been convicted of a criminal offence relating to the conduct of their business or profession.

(4) All candidates will be required to produce a certificate or declaration demonstrating that they have not committed an act of grave misconduct in the course of their business or profession.

(5) All candidates must comply with the requirements of the State in which they are established, regarding registration on the professional or trade register.

(6) Any candidate found to be guilty of serious misrepresentation in providing any information required, may be declared ineligible and not selected to continue with this procurement process.

(7) All candidates will have to demonstrate that they are licensed, or a member of the relevant organisation, in the State where they are established, when the law of that State prohibits the provision of the services, described in this notice, by a person who is not so licensed or who is not a member of the relevant organisation.

Further information is provided within the Pre Qualification Questionnaire.

III.2.2. Economic and financial ability

List and brief description of conditions: (1) All candidates will be required to provide evidence of relevant professional risk indemnity insurance.

(2) All candidates will be required to provide statements of accounts or extracts from those accounts relating to their business.

Further information on the requirements are provided within the Pre Qualification Questionnaire.

Minimum level(s) of standards possibly required: Further information is provided within the Pre Qualification Questionnaire.

III.2.3. Technical and professional ability

List and brief description of conditions:

(1) Details of the educational and professional qualifications of their managerial staff; and those of the person(s) who would be responsible for providing the services or carrying out the work or works under the contract.

(2) A check may be carried out by the contracting authority or by a competent official body of the State in which the candidate is established, to verify the technical capacity of the candidate; and if relevant, on the candidates study and research facilities and quality control measures.

(3) A statement of the candidate's technical facilities; measures for ensuring quality; and their study and research facilities.

(4) An indication of the proportion of the contract which the services provider intends possibly to subcontract.

(5) A statement of the technicians or technical services available to the candidate to carry out the work under the contract; or be involved in the production of goods or the provision of services under the contract; particularly those responsible for quality control, whether or not they are independent of the candidate.

(6) A statement of the tools, plant or technical equipment available to the service provider or contractor for carrying out the contract.

(7) A list of works carried out over the past 5 years, detailing the value of the consideration received; when and where the work or works were carried out; and whether they were carried out according to the rules of the trade or profession and properly completed.

Further information is provided within the Pre Qualification Questionnaire.

Minimum level(s) of standards possibly required:

Further information is provided within the Pre Qualification Questionnaire.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 5: and Maximum number 7

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

IV.3.2. Previous publication concerning this procedure

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

IV.3.4. Time limit for receipt of tenders or requests to participate

16.11.2012 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

17.12.2012

IV.3.6. Languages in which tenders or requests to participate may be submitted

English.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

IV.3.8. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

VI.2. Information about European Union funds

VI.3. Additional information

(SC Ref:242368).

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: An economic operator that suffers, or risks suffering, loss or damage attributable to a breach of duty under the Public Contracts (Scotland) Regulations 2012 may bring proceedings in the Sheriff Court or the Court of Session.

VI.4.3. Service from which information about the review procedure may be obtained
