Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer shall be registered in a company register, professional register or a trade register in the country where the tenderer is established.

— Norwegian companies: company registration certificate,

— Foreign companies: verification that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers shall have sufficient economic and financial capacity to fulfil the contract. Tenderers must achieve a rating of credit worthy.

— as documentation the Contracting Authority will obtain the credit evaluation Commercial Delphi Score from Experian, (the Contracting Authority subscribes to services from Experian). Tenderers must as a minimum achieve a rating of 'Credit worthy', i.e. the tenderer must be in risk class 5 or higher on the Experian scale.

Tenderers are expected to have familiarised themselves with registered information on the company and by submission of the tender accept that the information will be obtained and will form the basis of the assessment of the tenderer's financial situation.

When submitting a tender, a tenderer can enclose a credit assessment from a certified credit rating company showing that the tenderer fulfils the requirement in column A. The credit rating shall be based on the last available accounts and it shall be carried out by a company that has a licence to carry out credit information work.

If a tenderer has valid reasons for not being able to provide the documentation requested by the Contracting Authority, the tenderer can prove his economic and financial capacity with any other document that the Contracting Authority deems suitable.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from the delivery of services as described in this document, as regards scope and complexity.

— documented by attaching a description of the tenderer's most relevant assignments in the last 3 years within comparable assignments.

The list must include a statement of the assignment's value, date and recipient (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. The references will only be contacted if required.

Tenderers must take the environment into consideration, and have an adequate environmental management system.

— tenderers must substantiate the requirement by presenting relevant environmental certificates, such as Miljøfyrtårn, EMAS or ISO 14001 or equivalent, or give a description of the tenderer's own system and routines for environmental policy, environmental management system, etc.
