Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information

III.1.5. Information about security clearance

III.2. Conditions for participation

III.2.1. Personal situation

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Requirement: the contractor must ensure that it properly fulfils its obligations regarding the payment of tax and VAT.

Documentation requirement: tax certificate which is not older than 6 months calculated from the application deadline.

Tax certificate means: for Norwegian contractors: certificate issued by a tax collector or the Norwegian Tax Administration regarding:

- value added tax,
- tax,
- payroll tax.

For foreign contractors: foreign contractors must submit corresponding certificates from their

countries documenting proper fulfilment of their obligations regarding the payment of taxes and duties.

— If the authorities in the relevant country do not issue such certificates, the contractor must submit a declaration which confirms that all taxes and duties are paid. The declaration must be approved and signed by the contractor's CFO/financial manager.

Requirement: the contractor shall meet all statutory requirements in Norway relating to Health, Environment and Safety (HES).

Documentation requirement: filled in and signed HES self-declaration pursuant to FOSA, appendix 2. Alternatively, use the attached template, see Annex 4 - HES self-declaration.

Requirement: the contractor must be registered in the central coordinating register of legal entities or the chamber of commerce in the state where the contractor is established.

Documentation requirement: Norwegian contractors:

— Certificate of registration foreign contractors.

— Confirmation that the contractor is registered in the central coordinating register of legal entities or a chamber of commerce in the state where the contractor is established.

III.2.2. Economic and financial ability

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

List and brief description of conditions: Requirement: the contractor must have sufficient economic and financial capacity to complete the delivery, including satisfactory operating margin, liquidity ratio and equity share. Documentation requirement: credit rating from an acknowledged credit rating company based on the latest accounting data, The credit rating must not be older than 3 months. The contractor's financial statements (including notes with director's report and auditor's statement) from the past 2 years. If the financial statements for the previous year are not completed upon expiry of this tender, the preliminary financial statements for the previous year must also be enclosed.

III.2.3. Technical and/or professional capacity

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

List and brief description of conditions:

Requirement: the contractor must have good experience from similar deliveries.

Document requirement: overview of the contractor's three (3) most relevant assignments during the past three (3). In order to secure sufficient competition, documentation for deliveries performed by the contractor more than 3 years ago may also be taken into consideration. The overview must include a specification of:

— the value of the assignment,

— time,

— recipient (name, telephone and e-mail),

— brief description of the delivery, It is the contractor's responsibility to document relevance through the description.

Requirement: the contractor shall have the sufficient capacity to execute the contract.

Documentation requirement: description of technical personnel and technical entities available to the contractor to execute the contract.

Requirement: the contractor must have the sufficient competence to execute the delivery.

Documentation requirements: description of education and experience of the personnel available to the contractor to execute the contract. CVs are not requested in this connection.

Requirement: the contractor shall have a good and efficient quality assurance system.

Documentation requirement: description of the contractor's quality assurance methods. If the

contractor is certified pursuant to ISO 9001 or equivalent standards, it is sufficient to submit a copy of a valid certificate.

Requirement: the contractor must have a good and efficient environmental management system.

Documentation requirement: description of environmental management measures that are implemented in the business. If the contractor is certified pursuant to ISO 14001 or equivalent standards, it is sufficient to submit a copy of a valid certificate.
