The contract will be let on an 'all-inclusive' basis incorporating the national housing federation schedule of rates suite of documentation as set out in the draft articles of agreement completed in accordance with the contract details included with the procurement documents. The contract is none exclusive and there is no guaranteed of supply, the forecast spend is GBP 100 000 per annum.

Scope of works:

The scope of the Works under this Contract comprises the following Workstreams:

Standard fencing specification:

Boundary lines will be marked with concrete posts, concrete gravel boards and close boarded fencing (either panels or rails and boards), where possible front and rear boundaries shall be fenced to: rear boundaries will be 1.8 m high and front boundaries are 1.2 m high.

Front and rear gardens (as applicable by access) will have gates manufactured and installed to match the fencing. Rear gates will have a padlock bolt, front gates will have a latch.

Non-standard specification:

Freebridge may on occasion specify alternative fencing requirements where open plan aspects or large gardens are required to be enclosed. On these occasions Freebridge will require the works to be priced individually and agreed before any works commence. This will cover all fencing options within the SOR including but not limited to chain-link and picket fencing.

Applied to all specifications:

Front and rear hedges will be removed at the request of Freebridge on a per order basis and replaced with fences as detailed above.

Orders will be placed throughout the contract period for works to individual properties.

Properties are likely to be occupied by customers of the client whilst the works are undertaken.

Works may take place to any or all of the properties.

The contract is to provide installation, repair and maintenance to all properties owned or managed by the client. This includes the properties of any other organisation that the client manages now or in the future and any additional properties the client subsequently acquires by development, stock transfer or purchase.
