II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

The Mid Yorkshire Hospitals NHS Trust requires a finance and procurement system which will use new technology to provide the Trust with an integrated business system and transform the way business processes are provided to improve process efficiency and organisational performance. The new solution will cover all areas of business process including supply chain and procurement, accounts payable, general ledger and fixed assets to support financial and

management reporting in all areas.

The new system must be capable of integrating with existing systems such as Payroll, Accounts Receivable, Banking, NHS stock system and local Pharmacy.

The Trust will consider options for managed service, shared service provider or an in house managed solution.

The Mid Yorkshire Hospitals NHS Trust are seeking expressions of interest from providers who have a proven track record of supplying finance and procurement systems within the NHS and/or UK public sector.

The duration of the contract will initially run for a period of 5 years with an option to extend for a further 5 years subject to review on an annual basis.

II.1.5. CPV code(s)
