The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description**

**II.1.1. Title**

CCTV Digital Upgrade and Associated Maintenance Services.

**II.1.2. Type of contract and place of performance or delivery**

Supplies

Purchase

Main site or place of performance: Within the Borough of Chorley.

NUTS code UKD4 Lancashire

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

**II.1.4. Short description of the contract or purchase(s)**

Chorley Council operates a public space CCTV service consisting of approximately 62 operational CCTV camera locations and a central office based monitoring unit.

The system has developed since initial cameras were installed in 1996 and the Council is looking to fully digitise, upgrade and maintain the service infrastructure including monitoring, storage and recording equipment.

This contract is to supply and provide installation of CCTV equipment on a phased three year programme whilst continuing to service, maintain and repair the existing infrastructure whilst the phased upgrade programme progresses.

The contract term is 36 months. This contract will not be open to other purchasers.

**II.1.5. CPV code(s)**

32235000 Closed-circuit surveillance system, 50610000 Repair and maintenance services of security equipment

**II.1.6. Information about the Government Procurement Agreement (GPA)**

## **Section VI: Complementary information**

---

### **VI.1. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

### **VI.2. Additional information**

The date of contract award decision shown at V.1) is the day following expiry of the standstill period.

The contract value shown at V.4) and II.2.1) is the sum of the total fixed cost for the supply and installation of upgrade CCTV equipment and the monitoring suite, the total of the fixed costs for the Planned Preventative Service and Maintenance and an estimate of reactive service and repair and reactive service return visit costs based on the accepted tendered unit rates.

SME information:

— Number of tenders received from SME's = 8;

Location of Tenderers:

— Number of tenders received from other EU Member states = nil;

— Number of tenders received from non EU Member states = nil;

— Number of tenders received electronically = 11.

### **VI.3. Procedures for review**

#### **VI.3.1. Review body**

#### **VI.3.2. Review procedure**

Precise information on deadline(s) for review procedures: Chorley Borough Council incorporated a standstill period at the point information on the award of the contract was

communicated to tenderers. That notification provided full information on the award decision. The standstill period, which was a minimum of 10 calendar days, provided time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contracts Regulations 2015 provide for aggrieved parties who suffer or risk suffering loss or damage, by a breach of the rules, to take action in the High Court (England, Wales and Northern Ireland).

**VI.3.3. Service from which information about the review procedure may be obtained**

**VI.4. Date of dispatch of this notice**

23.9.2015
