Options: yes

Description of options:

Option for securing and monitoring 30 technical booths.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderer must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation: Norwegian companies: Company Registration Certificate. Foreign companies: Verification showing that the company is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation: A credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

The contracting authority can obtain further credit ratings or other financial information such as, but not limited to, the annual accounts including notes, the board's annual reports and the auditor's reports.

Minimum level(s) of standards possibly required:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Documentation: A description of the tenderer's up to 3 most relevant assignments in the last 3 years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.

If a tenderer cannot refer to minimum three relevant deliveries in the last 3 years, documentation of relevant deliveries older than 3 years will be taken into consideration, however not older than 5 years.

Minimum level(s) of standards possibly required:

Tenderers must have experience from comparable assignments.
