Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirements: tenderers must be a legally established company.

Documentation:

Norwegian companies: company registration certificate or a printout from the Unit Register for sole proprietorships not required to register.

Foreign companies: verification that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established. Confirmation can be submitted in writing or through BRIS

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: paid taxes and duties.

Documentation:

A certificate, not older than 6 months, which verifies that the tenderer has fulfilled the obligations of payment of taxes, social security contributions and VAT. The certificate can be ordered and obtained from Altinn by using a separate link on skatteetaten.no. If this is not possible, it can be ordered from the tax collector or the Norwegian Tax Administration. The certificate is electronically certified and is therefore not signed. For further information, see skatteetaten.no.

Foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities.

Requirement: tenderers must be able to show adequate economic and financial capacity for the delivery.

Documentation:

A credit rating with key figures from a recognised credit assessment company, or other form of documentation to verify that the requirement has been met.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: tenderers must have sufficient ability and experience to carry out the delivery.

Documentation: a description of the tenderer's up to three most relevant assignments in the last 3 years, together with information on the contracts' value, date of delivery or execution, and the name of the recipient. Relevant assignments means reviews and assignments connected to work with municipal planning processes and the use of analyses and area accounts as a knowledge basis in such processes. Tenderers are responsible for ensuring that the description is of such a nature that it documents fulfilment of the requirement.

Requirement: tenderers must have sufficient capacity to carry out the delivery within the specified limitations and deadlines.

Documentation: a statement of the tenderer's average annual workforce in the last 3 years.
