II.1.4. Short description

The First Ark Group consists of 5 companies that work together with the over-riding purpose of making a real positive difference to our communities and to people's lives. First Ark sought bids from appropriately skilled and experienced contractors to provide asbestos surveying and testing services across multiple First Ark sites in the North West, primarily Knowsley. Services initially required under the framework are expected to include the provision of sampling and testing for asbestos across a variety of property types in the North West and surrounding areas as appropriate to meet the operational needs of the Group (both present and future). Surveys will be in accordance with HSG264 guidance with the additional requirement that all textured coatings are sampled and tested irrespective of pattern. The outcome of the tender process is a 4 year framework agreement.
