Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- Additional deliveries by the original supplier ordered under the strict conditions stated in the directive

Explanation:

Como justifica cumplidamente este documento, las características técnicas, las implicaciones económicas y las repercusiones en los plazos justifican la propuesta de tramitar el suministro de los contenedores necesarios para la CN Cofrentes mediante procedimiento negociado sin publicidad con la empresa Holtec International Inc., al amparo del artículo 168 c) 2.º de la Ley 9/2017 de Contratos del Sector Público que contempla el caso de que «el cambio de proveedor obligase al órgano de contratación a adquirir material con características técnicas diferentes, dando lugar a incompatibilidades o a dificultades técnicas de uso y de mantenimiento desproporcionado». Este sería el efecto provocado por un cambio de modelo de contenedor y, por consiguiente, de proveedor, dada la incidencia sobre el calendario de ejecución de los trabajos y sobre sus costes, así como de incompatibilidades y dificultades técnicas de uso y de mantenimiento de los distintos equipamientos, que resultan claramente desproporcionados como prueban los datos recogidos en este informe.
