Services

Directive 2004/17/EC

Section I: Contracting entity

I.1. Name and addresses

Official name: Chevron Polska S.p Z.o.o
Postal address: c/o Chevron Polska, Hill of Rubislaw
Town: Aberdeen
Postal code: AB15 6XL
Country: United Kingdom
Contact person: Shane Alexander
E-mail: shane.alexander@chevron.com

Internet address(es):

General address of the contracting entity: <http://www.chevron.com>

Additional information can be obtained from:

the abovementioned address

Specifications and additional documents (including documents for a dynamic purchasing system) can be obtained from: the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Main activity

Extraction of gas and oil

I.3. Contract award on behalf of other contracting entities

The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

Framework agreement for the provision of portable buildings & services for land based exploration operations in Europe.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Poland and Romania.

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Duration of the framework agreement

Duration in years: 3

II.1.5. Short description of the contract or purchase(s)

The contract is a non exclusive framework agreement with economic operators(s) to provide Onsite Buildings to Chevron Polska Energy Resources S.p. Z.o.o and affiliated companies, including but not limited to Chevron Romania Exploration and Production SRL (hereinafter referred to as "company") for land-based exploration and production activities in Europe. Company's preferred outcome would be to award framework agreements(s) to economic operators(s) who are capable of delivering all of the required services.

Call-offs against the framework will be issued to the provider with the most economically advantageous framework agreement and Company will use the same award criteria as stated in the framework agreement invitation to tender.

Only when the terms laid down in the framework agreement are not complete enough for a particular call off, will Company hold a mini competition with all the providers awarded a framework agreement and capable of meeting the particular need against the terms and conditions of the agreed framework agreement.

II.1.6. CPV code(s)

76510000 Onshore services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no
