II.1.5. Short description of the contract or purchase(s)

Oslo Police District shall enter into a framework agreement with a service provider for car towing services for police vehicles, as well as collection, safekeeping and transport of vehicles, goods and animals, etc. By 'Goods', we mean particularly cycles, but also i.a. boats, as well as other large objects. 'Animals' are essentially dogs, but sporadically also other animals such as cats and reptiles. Things (including animals) that the tenderer will be involved with include both lost goods and things with a known owner, including fittings. The services have a significant scope and potential tenderers must have good capacity and ability to handle assignments on short notice. Potential tenderers must also be willing to establish premises and outdoor areas in the Oslo area for operation and delivery of some of the services. Potential tenderers must have solid finances and experience with equivalent contracts as the provision of the services is of critical importance for police activities. There will be requirements regarding the conduct of persons involved in the provision of the services.
