The project, funded by the European Commission Development and Cooperation-Europe Aid directorate (http://ec.europa.eu/europeaid/index_en.htm), aims to establish a high-capacity network for research and education in Southern and Eastern Africa (ESA) region, and to connect this network to the worldwide community of Research and Education Networks through GÉANT, the pan-European Research and Education Network operated by DANTE.

The beneficiaries of AfricaConnect are the NRENs under the UbuntuNet Alliance, the regional research and Education Network for the ESA region. The Alliance currently has membership drawn from 14 countries namely:
