According to the Act on Enforcement of Tender Regulations etc. (the Act can be downloaded from www.retsinformation.dk), the following deadlines apply for filing a complaint:

For appeal of a decision not to pre-qualify, the appeal must be filed with the Complaints Board for Public Procurement within 20 calendar days from the day following the day on which the contracting entity has notified the applicants concerned about who has been pre-qualified, if the notification contains a short summary of the relevant reasons for the decision.

Appeals concerning failure to be awarded the contract must be submitted within 45 days after the contracting entity has published a notice in the Official Journal of the European Union that the contracting entity has entered into a contract.

The appellant shall, no later than simultaneously with submitting an appeal to the Complaints Board for Public Procurement, notify the contracting entity that an appeal has been lodged with the Complaints Board for Public Procurement. This is most easily done by the complainant sending or e-mailing a copy of the complaint with annexes to the contracting entity.
