II.2.4. Description of the procurement

Procurement of a tank lorry for Flå fire station, Hallingdal Fire and Rescue Service.

Purpose of the procurement

HBR would like to procure a new fire tank lorry that will be stationed at Flå fire station in Flå Municipality. The municipality is in a valley with many roads with steep inclines and narrow gravel roads up the valley side. Assignments are mainly wild fires, traffic accidents, and building fires. There are large areas with holiday cabins with a danger of fire spreading that are located a long way from the fire station. The vehicle must be able to access and be suitable for bad roads. The vehicle must appear as a modern and future-orientated tool for the fire service, with good and innovative solutions. Tenders must be adapted to our municipality and our fire service.

The contracting authority will not sign a contract if HBR is not awarded sufficient resources for the procurement.

A detailed description of the delivery is in Annex 1 Needs Description Tank Lorry Flå.

Lot

Tenders cannot be submitted for parts of the assignment.
