Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of a 12 m3 sweeper for municipal road operations in Lillehammer Municipality

Reference number: 2023/4369

II.1.2. Main CPV code

34144400 Road-maintenance vehicles

II.1.3.

Type of contract

Supplies

II.1.4. Short description

Procurement of a sweeper of 12 m3 for municipal road operations in Lillehammer Municipality. The contracting authority for the procurement is Lillehammer Municipality, Road and Traffic Department.

II.1.5. Estimated total value

Value excluding VAT: 6 500 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

34144431 Suction-sweeper vehicles, 34921100 Road sweepers

II.2.3. Place of performance

NUTS code: NO020 Innlandet

II.2.4. Description of the procurement

The contracting authority will procure a new sweeper for municipal road operations in Lillehammer Municipality.

It is a prerequisite that the sweeper can be tested during the evaluation of the tender. The testing will be done in Lillehammer, or in a place with equivalent geographical and topographical conditions.

The procurement will be held in accordance with the Public Procurement Act dated 17 June 2016 (LOA) and the Public Procurement Regulations (FOA) PPR 2016-08-12-974. part I and part III. A contract will be awarded in accordance with the open tender contest procedure, cf. the Public Procurement Regulations § 13-1 (1).

Negotiations are not allowed in this contest. Tenders cannot, therefore, be changed after the tender deadline has expired. Furthermore, attention is drawn to the fact that tenders that include significant deviations from the procurement documents shall be rejected in accordance with the Public Procurement Regulations § 24-8(1) b. The contracting authority can reject tenders that contain deviations from the procurement documents, uncertainties etc. that are not considered significant, cf. the regulation § 24-8(2) a.

Tenderers are therefore strongly encouraged to follow the instructions given in the tender documentation and annexes, and to ask questions via an email to the contact person if they are uncertain.

Standard contract terms apply to this procurement (attached).

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 6 500 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/01/2024 End: 01/01/2027

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Service, solutions for suction and sweeper equipment and a high pressure jet.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Registered in a trade register or company register.

Documented by a company registration certificate from the Brønnøysund Register Centre.

Foreign tenderers: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Financial key figures.

Minimum level(s) of standards possibly required:

Tenderers must have sufficient economic and financial capacity to fulfil the contract. The rating must be four or better. Documentation requirement: The contracting authority will obtain a credit rating itself from www.experian.no. If a company is newly founded, financial solidity can be shown in another way.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

(1) References.

2) Quality assurance standard.

3) Environment management standard.

Minimum level(s) of standards possibly required:

1) Description of up to 3 of the tenderer's most relevant assignments in the last 3 years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description.

2) Tenderers must substantiate or give a detailed description of their quality assurance system. An ISO certificate or another 3rd party quality standard can be also attached.

3) Is the tenderer in a position to submit certificates issued by independent bodies as documentation that the tenderer meets the specified environmental management systems or standards?

Section IV: Procedure

IV.1. Description
