Type of contract

Supplies

II.1.4. Short description

The delivery consists of a complete renewal of the stage management installations, including course arrangements and active equipment for a new theatre technics network.

.

The delivery is split into three sub-deliveries, which are each announced as separate contracts:

Sub-delivery I - cabling and infrastructure

Sub-delivery II - stage management communication

Sub-delivery III - stage management installations (this delivery)

Comprises all other sub-installations that are included in the stage management installations, including network switches for sub-delivery II.

See Annex 1 Technical Specifications for further details.

The work on renewing the stage management installations is scheduled to be completed at the earliest in autumn 2023. Parts of the work (firstly the installation of a new stage management communication system) must be completed in autumn 2022/winter 2023. See the description in Annex 1 Technical Specifications, chapter 2.2 Execution Time.

A service contract is also included in the delivery.
