II.1.4. Short description

Statens pensjonskasse (SPK) administers the mortgage scheme for members of SPK. It is only SPK's members and pensioners that can apply for a mortgage up to a contractual loan limit. We grant loans to buy housing, refinancing, and loans for the renovation of own housing. Loans can only be given with security in own housing.

SPK would like to use this procurement to get access to a total system for our mortgage scheme that covers the three functional areas loan applications, application processing, and administration. The system is to be offered as a cloud service / SaaS (Software as a Service).
