As an option Contracting Authority reserves right to procure options described in chapter II.2.4 (Description of the procurement). Options may be procured as a whole or as individual sub-system changes.

Additionally the Contracting Authority reserves the right to procure:

1. Spare parts or components of the embodied modification.
2. Aircraft maintenance for OH-MVN should the modification schedule so dictate.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure Accelerated procedure Justification:

According to Act on Public Procurement and Concession Contracts (1397/2016) section 57 the contracting authority may select an accelerated procedure when it renders the time limits impracticable.

The contracting authority published originally the Call for Tenders 12.10.2022 without getting compliant tenders. Also negotiated procedure did not result comparable tenders. The contracting authority decided to discontinue the procurement process 24th January 2023. The content of this procurement remained same as earlier with an exception that the EOS integration and one aircraft's yearly maintenance has been removed from the Scope of Service. Therefore, the contracting authority considered the Scope of Service being familiar to the potential tenderers and the deadline for tenders could be reduced.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure
