---

**Section III: Legal, economic, financial and technical information**

**III.1. Conditions related to the contract**

**III.1.1. Deposits and guarantees required**

**III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

**III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into the contract.

**III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information**

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise.

### **III.1.5. Information about security clearance**

### **III.2. Conditions for participation**

#### **III.2.1. Personal situation**

##### **Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: The Authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at <http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 39(2) may be excluded from being selected to bid at the discretion of the Authority.

#### **III.2.2. Economic and financial ability**

#### **III.2.3. Technical and/or professional capacity**

##### **Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)**

List and brief description of conditions:

- (a) in the case of a supply contract requiring the siting or installation of goods, a services contract or a works contract, the economic operator's technical ability, taking into account in particular that economic operator's skills, efficiency, experience and reliability;
- (c) a statement of the principal goods sold or services provided by the supplier or the services provider in the past five years, or during a shorter period if necessary, and:
  - (i) the dates on which the goods were sold or the services provided;
  - (ii) the consideration received;
  - (iii) the identity of the person to whom the goods were sold or the service were provided;
  - (iv) any certificate issued or countersigned by that person confirming the details of the contract for those goods sold or services provided; and
  - (v) where - (a) that person was not a contracting authority, and (b) the certificate referred to in sub-paragraph (c)(iv) is not available, any declaration by the economic operator attesting the details of the goods sold or services provided;
- (h) the environmental management measures, that the economic operator is able to apply when performing the contract, but only where it is necessary for the performance of that contract
- (m) in the case of contracts involving, entailing or containing classified information, evidence of the ability to process, store and transmit such information at the level of protection required by the contracting authority;
- (n) a certificate:
  - (i) attesting conformity to quality management systems standards based on the relevant European standard; and
  - (ii) from an independent accredited body established in any member State conforming to the

European standards concerning accreditation and certification;  
(o) any other evidence of conformity to quality management systems standards which are equivalent to the standards referred to in sub-paragraph (n)(i).  
This information will be sought via the pre-qualification questionnaire.

#### **III.2.4. Information about reserved contracts**

#### **III.3. Conditions specific to services contracts**

##### **III.3.1. Information about a particular profession**

Execution of the service is reserved to a particular profession: no

##### **III.3.2. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

### **Section IV: Procedure**

---

#### **IV.1. Type of procedure**

##### **IV.1.1. Type of procedure**

Restricted

##### **IV.1.2. Information about the limits on the number of candidates to be invited**

Envisaged minimum number 3

Objective criteria for choosing the limited number of candidates: Interested suppliers are required to complete the Dynamic Pre-Qualification Questionnaire (DPQQ) to provide the Authority with information to evaluate the supplier's capacity and capability against the selection criteria.

The Authority will use the DPQQ response to create a shortlist of tenderers who:

- 1) are eligible to participate;
- 2) fulfil any minimum economic, financial, professional and technical standards; and
- 3) best meet, in terms of capacity and capability, the selection criteria set out in this notice and the DPQQ.

Further details of the method for choosing the tenderers is set out in the DPQQ.

##### **IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue**

#### **IV.2. Award criteria**

##### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

##### **IV.2.2. Information about electronic auction**

An electronic auction has been used: no

#### **IV.3. Administrative information**

##### **IV.3.1. File reference number attributed by the contracting authority**

IRM19/7268

##### **IV.3.2. Previous publication concerning this procedure**

no

**IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document**

Payable documents: no

**IV.3.4. Time limit for receipt of tenders or requests to participate**

21.8.2020 - 17:00

**IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates**

**IV.3.6. Languages in which tenders or requests to participate may be submitted**

English.

**Section VI: Complementary information**

---

**VI.1. Information about recurrence**

This is a recurrent procurement: no

**VI.2. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

**VI.3. Additional information**

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise.
