no

## II.2.14. Additional information

### Section III: Legal, economic, financial and technical information

---

#### III.1. Conditions for participation

##### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: the tenderer shall be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian companies: company registration certificate,
- foreign companies: verification showing that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

##### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: tenderers must have sufficient economic and financial capacity to be able to fulfil the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement: a credit rating based on the most recent fiscal figures. The rating must be carried out by a credit rating company with a licence to conduct this service.

##### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: the tenderer must have experience from comparable assignments.

Documentation requirement: description of the tenderer's up to 3 most relevant contracts in the course of the last 3 years. The list must include a statement of the assignment's value, date and recipient (name, telephone number and email address). It is the tenderer's responsibility to document relevance through the description. Tenderers may do this by including documentation on the competence of the personnel that can be used for this project, including experience that has been acquired while the personnel was in the service of another employer.
