- viii. Reporting and analysis of all data held in the solution, including incidents data, investigation data, audit and inspection data, KPI data and user administration data,
- ix. Data migration and transition from existing solution.

Applicants are referred to the PQP and accompanying documentation for more info.

II.1.5. Estimated total value

Value excluding VAT: 500 000,00 GBP

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

48000000 Software package and information systems, 48600000 Database and operating software package, 48700000 Software package utilities, 71313420 Environmental standards for construction, 71313450 Environmental monitoring for construction, 71317200 Health and safety services, 71317210 Health and safety consultancy services, 72225000 System quality assurance assessment and review services

II.2.3. Place of performance

NUTS code: UKI London

Main site or place of performance: Services to be delivered in London in relation to the Tideway Tunnel Project.

II.2.4. Description of the procurement

This procurement is for the establishment of a new Health, Safety, Environment and Quality Management System for use by the Tideway project. This includes the purchase of a software as a service (SaaS) solution and associated support provisions. The term will be a minimum of three years and up to the remainder of the project (a potential 7 years).

Further information on the scope of the Contract and the procurement is included in the PQP and accompanying Procurement Documents.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 02/01/2018 End: 01/01/2025

This contract is subject to renewal: yes

Description of renewals:

Optional Extensions are included, see II.2.11 for details.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 4 Maximum number: 5 Objective criteria for choosing the limited number of candidates:

Applicants are referred to the PQP and Pre Qualification Questionnaire (PQQ) for information on Tideway's criteria for choosing Applicants to be invited to tender for the Contract. Tideway expects to select the top four Applicants to tender for the Contract. Tideway reserves the right in its absolute discretion to invite fewer than four Applicants or to invite 5 Applicants on the basis described in the PQP.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Four (4) x 12 month optional extensions are included.

Applicants should be aware that Tideway reserves the right to extend the Contract Period by period or periods of up to 4 years making a maximum aggregate Contract Period of 7 years. Further, Applicants should also be aware that Tideway reserves the right to omit and/or vary the scope of the Contract and/ or require optional scope to be performed. Further information in relation to scope, value of the Contract and value of Tideway's options is included in the PQP.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14. Additional information

Applicants are referred to VI.3) Additional Information in this Contract Notice below.

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Applicants are referred to the PQP and PQQ for information about conditions for participation.

III.1.2. Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3. Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.4. Objective rules and criteria for participation

List and brief description of rules and criteria:

Applicants are referred to the PQP and PQQ for information about Tideway's objective rules and criteria for participation in the Contract.

III.1.6. Deposits and guarantees required

Tideway reserves the right to require guarantees, bonds, collateral warranties (potentially including the grant of step-in rights) and other forms of security as appropriate to be specified in the Procurement Documents to be made available at ITT stage. Applicants are referred to the PQP for relevant information available at this Contract Notice stage.

III.1.7. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

The main financing conditions, payment mechanism, performance standards and incentive mechanism will be described in the Procurement Documents to be made available at ITT stage. Further details will be provided in the published ITT documentation. Applicants are referred to the PQP for relevant information available at this Contract Notice stage.

III.1.8. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Tideway will accept expressions of interest and tenders from single entities or Consortia. Tideway does not require those Consortia who intend to form a single legal entity to do so at the PQQ stage. Tideway will consider contracting with a Consortium, providing always that the participants in any Consortium are jointly and severally liable for all of the obligations of the Contractor under the Contract.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Negotiated procedure with prior call for competition

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.2. Time limit for receipt of tenders or requests to participate

Date: 06/10/2017 Local time: 13:00

IV.2.3. Estimated date of dispatch of invitations to tender or to participate to selected candidates

Date: 16/10/2017

IV.2.4. Languages in which tenders or requests to participate may be submitted

English

IV.2.6. Minimum time frame during which the tenderer must maintain the tender

Duration in months: 12 (from the date stated for receipt of tender)

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3. Additional information

1) Terms in this Contract Notice with initial capital letters have the meanings given in PQP Section 1.1.8 (Glossary).

2) To express interest in the Contract, Applicants must register and complete the PQQ on the Tideway portal: <https://tideway.bravosolution.co.uk> by the deadline for PQQs stated in the PQP. The PQQ Deadline is a precise time and Applicants must allow sufficient time to upload the PQQ.

3) Section I (Contracting entity): The contracting entity is Bazalgette Tunnel Limited ('Tideway'), the organisation responsible for delivering the Thames Tideway Tunnel. Additional information relating to this Contract Notice is available in the Procurement Documents. Further information on Tideway and the Thames Tideway Tunnel is available at www.tideway.london

4) Section II.2.6 (Estimated value): The estimated value has been estimated on the basis of the total maximum term of 7 years. This value is indicative and depends on business needs over the term.

5) Section II.2.7 (Duration of the Contract): time-scales in this Contract Notice are estimated based on the current Tideway programme but may be subject to change.

6) Section IV (Procedure): Tideway is not a utility for the purpose of the Utilities Contracts Regulations 2016 ('UCR 2016') and accordingly the UCR 2016 do not apply to this procurement. However Tideway is required pursuant to the procurement regime in The Water Industry (Specified Infrastructure Projects) (English Undertakers) Regulations 2013 ('SIP Regulations') to tender certain contracts and certain categories of contracts in accordance with a modified regime set out in the SIP Regulations as amended by The Public Procurement (Amendments, Repeals and Revocations) Regulations 2016 ('modified UCR 2016'). The procurement requirements set out in the modified UCR 2016 are broadly similar to the UCR 2016 save that certain procedures, exclusions and exemptions have been removed and Part 5 of UCR 2016 (Remedies) has been modified so that a different remedies regime applies to Tideway. Additional information in relation to the modified UCR 2016 is available at: <http://www.legislation.gov.uk/cy/uksi/2016/275/schedule/2/paragraph/48/made>

7) Section VI.4 (Procedures for review): In accordance with the modified UCR 2016 regime, Tideway will incorporate a minimum 10 calendar day standstill period before award from the point information on award is communicated to Tenderers. Any request for further information by Tenderers pursuant to the modified UCR 2016 regime must be made in writing to the address set out in section I.1 above. The modified UCR 2016 regime provides remedies for economic operators who, in consequence of a breach of the modified UCR 2016 regime, suffer, or risk suffering, loss or damage. Proceedings must be started in the High Court of England and Wales.

8) A response to this Contract Notice does not guarantee that an Applicant will be invited to tender. The award process may be terminated or suspended at any time without cost or liability to Tideway. Tideway does not bind itself to enter into any contract(s) arising out of the procedure envisaged by this Contract Notice. No contractual rights express or implied arise

out of this Contract Notice or the procedures envisaged by it. Tideway reserves the right to vary its requirements and the procedure relating to the conduct of the award process. Tideway reserves the right to disqualify any Applicants on terms set out in the PQP.

9) Applicants/Tenderers shall be solely responsible for and liable for all costs associated with and arising out of or in connection with responding to this Contract Notice, any PQQ and with submitting any tender, howsoever incurred.

VI.4. Procedures for review
