Precise information on deadline(s) for review procedures: The University of York has incorporated the minimum 10 calendar day standstill period at the point information on the award of the contract was communicated to tenderers. This period allowed unsuccessful tenderers to seek further debriefing before the contract was entered into.

If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly (generally within 3 months). Where a contract has not been entered into the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may only award damages.

VI.3.3. Service from which information about the review procedure may be obtained
