2.1. Procedure

Title: Invitation to individual supplier dialogue - treatment of radioactive waste (KLAB)

Description: IFE/NND invites suppliers to participate in a market dialogue for the treatment and minimisation of radioactive waste. This is regarding both non-disposable and disposable radioactive waste. The purpose of this market dialogue is to explore opportunities to procure services and/or necessary equipment for the safe, efficient and responsible treatment of radioactive waste as described in § 4 Type of Waste. IFE/ NND wants to gain insight into the market's solutions and innovations, as well as establish a collaboration with qualified suppliers both nationally and internationally before public procurements.
