

Norway-Oslo: Electrical engineering installation works
OJ S 155/2018 14/08/2018
Contract award notice
Services

Legal Basis:

Directive 2014/24/EU

Section I: Contracting authority

I.1. Name and addresses

Official name: HR Prosjekt AS

National registration number: 988 889 245

Postal address: Dronning Eufemias gate 16

Town: Oslo

NUTS code: NO011 Oslo

Postal code: 0191

Country: Norway

Contact person: Terje Brygard

E-mail: tbr@hrprosjekt.no

Telephone: +47 90017077

Internet address(es):

Main address: <http://www.hrprosjekt.no>

Address of the buyer profile: <https://kgv.doffin.no/ctm/Company/CompanyInformation/Index/1637>

I.4. Type of the contracting authority

Regional or local agency/office

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement for the procurement of electro and automation installations

Reference number: 02/2018

II.1.2. Main CPV code

45315100 Electrical engineering installation works

II.1.3. Type of contract

Services

II.1.4. Short description

The Contracting Authority intends to enter into framework agreements with 1-3 tenderers for:

— the purchase of deliveries/services named above,

— the procurement also comprises function and engineering design responsibility, and delivery of the necessary materials and equipment.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Lowest offer: 856 715,00 NOK / Highest offer: 1 093 400,00 NOK taken into consideration

II.2. Description

II.2.2. Additional CPV code(s)

45000000 Construction work, 45262640 Environmental improvement works

II.2.3. Place of performance

NUTS code: NO033 Vestfold

Main site or place of performance: Tønsberg, Norway.

II.2.4. Description of the procurement

The objective of 'The Magic Factory' [Den Magiske Fabrikken] is to increase the biogas production in Norway. This occurs by creating environment and resource optimal value chains for biogas, and strengthen the market position for biogas and bio fertilizer.

Biogas production with utilisation of biogas as fuel for vehicles and production of bio fertilizer, is a good utilisation of wet organic waste and manure. To ensure sustainable value chains for biogas and bio fertilizer, it is important to both increase access to substrates (resources), ensure efficient production, good utilisation of the biogas and the bio fertilizer, that the quality of the bio fertilizer is sufficient for use in food production and that the environment and resource efficiency of biogas and bio fertilizer is well documented and traceable in the market. The factory's vision is a transformation of food waste and domestic animal manure to biogas without emissions or leave behind waste materials that are not usable.

Effort are being made to increase access to substrates from different sectors, analyses and processes that ensure quality of bio fertilizer throughout traceability in the value chain.

Solutions are also being developed and assessed to utilise the CO₂ gas from biogas production as a replacement for fossil CO₂. Based on life cycle analyses of the biogas value chains, further systems are being developed for environmental declaration of biogas, which is used by the sector for marketing of biogas and bio fertilizer. Systems are also being developed for guarantee of origin for biogas that is blended with natural gas.

As a further development of the factory at Rygg, Line 2 must now be implemented, which entails a redoubling of the plant production. A number of building and technical improvements shall also be implemented for i.a. safeguarding of the external environment.

A garden centre (nursery) shall also be built for experimental operation related to CO₂ utilisation.

II.2.5. Award criteria

Quality criterion - Name: Quality/competence / Weighting: 20

Quality criterion - Name: Price / Weighting: 55

Quality criterion - Name: Security of supplies/response time / Weighting: 25

Price - Weighting: 55

II.2.11. Information about options

Options: yes

Description of options:

The contract period is 3 years with an option for an extension for 1+1 year.

II.2.13.

Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2018/S 026-057974](#)

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice

Section V: Award of contract

Contract No: 1

Title:

Framework agreement for the procurement of electro and automation installations

A contract/lot is awarded: yes

V.2. Award of contract

V.2.1. Date of conclusion of the contract

06/04/2018

V.2.2. Information about tenders

Number of tenders received: 5

Number of tenders received from SMEs: 5

Number of tenders received from tenderers from other EU Member States: 0

Number of tenders received from tenderers from non-EU Member States: 0

Number of tenders received by electronic means: 0

The contract has been awarded to a group of economic operators: yes

V.2.3. Name and address of the contractor

Official name: NLI Elektrosystemer AS

Town: Tønsberg

NUTS code: NO Norge

Country: Norway
The contractor is an SME: yes

V.2.3. Name and address of the contractor

Official name: Langslet Energy AS
Town: Tønsberg
NUTS code: NO Norge
Country: Norway
The contractor is an SME: yes

V.2.3. Name and address of the contractor

Official name: Moer Installasjon AS
Town: Tønsberg
NUTS code: NO Norge
Country: Norway
The contractor is an SME: yes

V.2.3. Name and address of the contractor

Official name: Guard Automasjon AS
Town: Sandefjord
NUTS code: NO Norge
Country: Norway
The contractor is an SME: yes

V.2.4. Information on value of the contract/lot

Lowest offer: 856 715,00 NOK / Highest offer: 1 093 400,00 NOK taken into consideration

V.2.5. Information about subcontracting

Section VI: Complementary information

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

Official name: Greve Biogass AS
Town: Tønsberg
Postal code: 3125
Country: Norway

VI.4.2. Body responsible for mediation procedures

Official name: KOFA
Town: Bergen
Postal code: 5805
Country: Norway
Internet address: <http://www.kofa.no/>

VI.5. Date of dispatch of this notice

09/08/2018
