Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The applicant must in ESPD section IV.B provide information about average turnover for the past 3 fiscal years and liquidity ratio for the last fiscal year.

Documentation of economic and financial capacity must be provided according to the tender documents.

Minimum level(s) of standards possibly required:

For each of Lot 1, Lot 2, Lot 3 and Lot 4, the following minimum requirements apply:

For Lot 1:

- an average turnover of DKK 6 000 000 or above for the past 3 fiscal years
- a liquidity ratio above 1 (one) in the last financial year

For Lot 2:

- an average turnover of DKK 25 000 000 or above for the past 3 fiscal years

- a liquidity ratio above 1 (one) in the last financial year

For Lot 3:

- an average turnover of DKK 30 000 000 or above for the past 3 fiscal years
- a liquidity ratio above 1 (one) in the last financial year

For Lot 4:

- an average turnover of DKK 30 000 000 or above for the past 3 fiscal years
- a liquidity ratio above 1 (one) in the last financial year.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The applicant must submit a completed ESPD for each lot the applicant wish to apply for pre-qualification for.

The applicant must submit the following information in the ESPD for a specific lot:

The applicant must provide a maximum of five (5) references, cf. II.1.4) and II.2.4) per lot, which the applicant has performed during the last 3 years before the application deadline.

Only references relating to services/deliveries performed at the time of application will be taken into account when assessing which applicants have documented the most relevant references (cf. point II.2.9) and when assessing whether the minimum requirements to technical and professional capacity is met, cf. below. In the case of an ongoing task, only the part of services/deliveries already performed at the time of application will be included in the assessment of the reference.

Each reference should include a brief description of the deliveries incl. number of subscriptions (for lot 4: devices), including a clear description of which of the services under points II.1.4) and II.2.4) per lot was included, as well as the applicant's role(s) and responsibility.

Furthermore, please include the financial value of the delivery (amount), date of delivery and the name of the customer (recipient).

When stating the date of delivery, the applicant is asked to indicate the date of commencement and end of delivery. Is this not possible, e.g. because the tasks have been performed on an ongoing basis in accordance with a framework agreement, the applicant is asked to state in the description of the delivery how the date is stated.

A maximum of 5 references can be specified pr. lot, regardless of whether the applicant is a single company, whether the applicant is based on the technical ability of other entities, or whether it is an association of companies (e.g. a consortium).

If the applicant bases its application on another entity's technical and professional capacity regarding the performance of specific parts of the deliveries covered by the contract, cf. point II.2.4), the deliveries under the contract must be performed by the entity on which the applicant relies.

The ESPD serves as a preliminary evidence that the applicant per lot meets the minimum requirements for suitability in relation to technical and professional capacity, cf. point III.1.3) and how the applicant meets the selection criterion, cf. point II.2.9).

Before the awarding of a contract the applicant or applicants who the contracting entity intends to award a framework agreement per lot to must provide documentation that information submitted in the ESPD is correct.

Minimum level(s) of standards possibly required:

For each of Lot 1 to 4, the following minimum requirements apply:

Lot 1: At least 2 references documenting experience with delivery of fixed network telephony within the last 3 years;

Lot 2: At least 2 references documenting experience with delivery of mobile network telephony and data services within the last 3 years;

Lot 3: At least 2 references documenting experience with delivery of broadband internet connection within the last 3 years;

Lot 4: At least 2 references documenting experience with delivery of mobile terminals within the last 3 years.
