---

**II.1. Description****II.1.1. Title**

Turnkey contract for Holla Secondary School.

**II.1.2. Type of contract and place of performance or delivery**

Works

Design and execution

Main site or place of performance: Ulefoss, Norway.

NUTS code NO034 Telemark

**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)****II.1.4. Short description of the contract or purchase(s)**

A new Holla secondary school shall be constructed to replace the current school. The existing buildings shall be demolished and a new school constructed. Phase 1 consists of the construction of a new school and the development of parts of the outside area. After completion and the new school is in use, the existing building shall be demolished and the

rest of the outside area completed (phase 2). The new Holla secondary school has an area of approx. 3 500 m<sup>2</sup>, with a relatively large outside area.

There are strict requirements for the execution of the works in order to avoid injuries and accidents amongst the pupils and employees in the school, which will be open, and in order to reduce operational disturbances for teaching.

The contract is planned to be signed and the construction works are planned to start immediately after the general staff holiday (week 31/32).

A comprehensive description of the works is in the tender documents.
