Section II: Object of the contract

II.1. Description

II.1.1. Title

Environment inspection of landfill sites in Agder.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 27: Other services

Main site or place of performance: 22 landfill sites in Aust-Agder and Vest-Agder, Norway, see the tender documents.

NUTS code

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

The awarding authority would like tenders for the provision of the service environmental inspection of landfill sites in Agder.

The service includes collecting/sample taking, analysis, evaluation and reporting of water samples from 10 active landfill sites and 12 discontinued landfill sites in Vest-Agder and Aust-Agder counties. See point 1.4 as well as part 2. The quarterly reports for individual landfill sites, annual reports to the county governor and in some cases to KLIF based on the analyses are also included.

The work, including sample taking and analyses shall be in accordance with KLIF's guidelines TA 2077/2005 (or later editions) and Norwegian Standard (or another international standard if it exists), as well as the regulations on recycling and treating waste, chapter 9 disposal of waste, annex III.

Personnel and laboratories used for environmental analyses shall be accredited for the assignment described in this tender competition. Furthermore, it is important that the sample taking methods are adapted to different types of samples that are taken, as well as taking the parameters that shall be analysed into consideration.

II.1.5. CPV code(s)
