### **Section III: Legal, economic, financial and technical information**

---

#### **III.1. Conditions related to the contract**

##### **III.1.1. Deposits and guarantees required**

##### **III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

##### **III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

##### **III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

#### **III.2. Conditions for participation**

##### **III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: Requirement: Tenderers shall have their tax and VAT payments in order. Documentation: Tax and VAT certificate, issued by Altinn, the Tax office or the Tax Collection Office. The certificate shall not be issued more than 6 months prior to the tender deadline. Foreign tenderers are to provide certificates from corresponding authorities in the countries where they are registered for tax. If the authorities in the respective countries do not issue such certificates, the supplier must provide a self-declaration on whether there are tax arrears and, if so, the size of them. The self declaration must be signed.

##### **III.2.2. Economic and financial ability**

##### **III.2.3. Technical and professional ability**

List and brief description of conditions:

Requirement: Experience from similar assignments. The tenderer is required to have good experience from similar assignments. Documentation: The tenderer must complete annex 3 — reference form, concerning the 3 most important relevant contracts in the last 3 years, including their scope (number of month-hours), value, time frame and the contracting authority or recipient. There must also be an overview over contact person for each delivery as well as the contact person's telephone number and e-mail address.

Requirements for quality management. The assignment requires tenderers who have systems for quality management and effective flows of goods. Documentation (to be provided in the following ways): Description of the company's procedures regarding quality management, with emphasis on quality assurance, resource management, managements' responsibility, the manufacturing process and continual analysis and improvement. If the tenderer holds an ISO

9001:2008 certificate (or newer version), such a certificate will be accepted as documentation of compliance with the qualification requirement.

#### **III.2.4. Information about reserved contracts**

#### **III.3. Conditions specific to services contracts**

##### **III.3.1. Information about a particular profession**

##### **III.3.2. Information about staff responsible for the performance of the contract**

### **Section IV: Procedure**

---

#### **IV.1. Type of procedure**

##### **IV.1.1. Type of procedure**

Open

##### **IV.1.2. Information about the limits on the number of candidates to be invited**
