II.1.3. Type of contract

Services

II.1.4. Short description

The call for tender concerns the organisation of agri-food promotion events and campaigns and market intelligence in third countries in order to support the EU in its promotion initiatives. The main purpose of the contracts is to provide services within the context of information provision and promotion measures concerning EU agricultural products. The implementation of these measures is managed by the Agri-Food Promotion, Environmental Observation and Innovative Governance Unit in the European Research Executive Agency (REA). The framework contracts resulting from this procedure will be of interest also to the European Commission.
The procedure has been divided in three lots.
