II.2. Scope of the procurement

II.2.1. Total quantity or scope

1. The embodiment of a Modification (Traffic Avoidance System (TAS), Global Positioning System (GPS) and 2nd VHF Radio) by a MAOS approved Contractor on up to a maximum of quality 25 Gazelle AH 1 Helicopters. The contractors MAOS approval must include the authority to maintain and modify the Gazelle AH 1 and the contractor shall be required to provide evidence that they have the requisite MAOS approval or able to gain the required MAOS approval by the expected date for contract award. The Modification embodiment shall be completed at up to two different MOD airfield sites and the equipment and supporting documentation required to undertake the modification (including Mod Kits containing Brackets, Panel and Wiring) will be provided as Government Furnished Assets, all tools and test equipment required for the modification embodiment shall be supplied by the contractor. Post embodiment flight tests will require to be carried out on the aircraft, all flight tests shall be carried out by MOD Aircrew. The scope may be extended to consider bids to include modification on the contractors premises, provided the facilities are included in the MAOS approval and they have the capability and MAA CFAOS approval to conduct the flight testing.

2. In addition the Authority will be seeking Firm Priced options to undertake the following activities in parallel with embodiment of the modifications:

- a. Additional modification embodiments on selected aircraft.
- b. Undertake Depth Maintenance on up to quality 4 aircraft.

Estimated value excluding VAT: 800 000 GBP

English.

Section VI: Complementary information

VI.1. Information about recurrence

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the contract will be awarded on the basis of the most economically advantageous tender. Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at www.contracts.mod.uk The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to

any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.

From 2 April 2014 the Government is introducing its new Government Security Classifications Policy (GSC) to replace the current Government Protective Marking Scheme. A key aspect of this is the reduction in the number of security classifications used. All suppliers to the Department are encouraged to make themselves aware of the changes as it may impact on this Requirement. The link below to the Gov.uk website provides information on the new GSC.
<https://www.gov.uk/government/publications/government-security-classifications>

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise.

Advertising Regime OJEU: This contract opportunity is published in the Official Journal of the European Union (OJEU), the MoD Defence Contracts Bulletin and www.contracts.mod.uk

Suppliers must read through this set of instructions and follow the process to respond to this opportunity.

The information and/or documents for this opportunity are available on <http://www.contracts.mod.uk>

You must register on this site to respond, if you are already registered you will not need to register again, simply use your existing user-name and password. Please note there is a password reminder link on the homepage.

Suppliers must log in, go to your Response Manager and add the following Access Code: ZF4UVBTHXJ.

Please ensure you follow any instruction provided to you here.

The deadline for submitting your response(s) is detailed within this contract notice, you will also have visibility of the deadline date, once you have added the Access code via DCO as the opening and closing date is visible within the opportunity.

Please ensure that you allow yourself plenty of time when responding to this opportunity prior to the closing date and time, especially if you have been asked to upload documents.

If you experience any difficulties please refer to the online Frequently Asked Questions (FAQs) or the User Guides or contact the MOD DCO Help-desk by emailing support@contracts.mod.uk or Telephone +44 800282324.
