Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Supply of Two New Towage Boats (Design and Build)

Reference number: OIC/PROC/0647

II.1.2. Main CPV code

34513200 Tug boats

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Council, as Statutory Harbour Authority has a requirement for the supply of one tug boat and/or design and build of up to two new tug boats which meet the Council's specification, which are required to provide a safe and reliable towage service in the Scapa Flow (including Flotta Oil Terminal) and Kirkwall harbour areas and elsewhere. The existing fleet of three (3) tug boats (built 1989 and 1992) requires to be replaced as part of a planned programme in order to provide towage to the Flotta Oil Terminal, Scapa Flow and Kirkwall and to meet increasing demands and specification requirements within and beyond Orkney for towage.

With a modern design vessel it is expected that greater operational safety margins, flexibility and efficiencies will be achieved.
