The Services will support adults (aged 18 and over) assessed as eligible for Continuing Healthcare (CHC) and registered with a Leeds GP, or resident within the boundaries of the 3 Leeds Clinical Commissioning Groups.

The aims and objectives of the Services for both Lot 1 and Lot 2 are to:

— Ensure the Service User's needs, as identified by the Commissioner within the Care Plan, are met

— Ensure that care is delivered as identified within the Provider's Care Plan, through a range of interventions tailored to meet individual needs

- Enhance the quality of life of the service user
 - Support Service Users to live as healthy and independently as possible irrespective of their condition
 - Ensure Service Users and carers experience person centred outcome focused care in which the service user (and/or their designated representative) are involved and satisfied with the plan of care
 - Provide appropriate levels of skilled and competent care staff trained in a range of care interventions to meet the wide range of physical, mental, emotional, cognitive and cultural care needs of the Service User
 - In collaboration with health care professionals and/or other organisations, develop a Care Plan that meets the Service User's health and social care needs and evaluated at least monthly or more frequently as required to meet patient needs
 - Ensure risks are identified and managed appropriately, in order to protect the safety of the Service User and care workers
 - Contribute to a multi-disciplinary approach, ensuring effective communication with all Health and Social Care professionals involved in the care of the Service User
 - Provide person centred information and support for Service Users, families and carers
 - Ensure ongoing communication with all partner agencies or other services involved in the patient's care
 - Facilitate rapid/early discharge from hospital and prevent inappropriate hospital admissions
- This opportunity is also being advertised on Contracts Finder.
