II.1.4. Short description

Leigh Academies Trust (LAT) has gone from strength to strength since its creation in 2008 and is now one of the country's most successful multi-academy trusts.

Through a model of education that creates a network of inspirational and inclusive academies that share the same values, the Trust provides the drive for outstanding educational improvement and dynamic transformation.

All of the academies work closely and collaboratively together, along with our partners, seeking to exploit the key educational philosophy of human scale education. To maximise the levels of achievement across each of their learning communities, all activities are focused on improving the life chances of the young people in our care.

Educating around 10,800 students, the Trust divided into four 'clusters' of Academies South East London, Mid Kent, North Kent and Medway.
