Framework agreement for construction materials and tools.

II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Kongsberg municipality.

NUTS code NO032 Buskerud

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT: 200 000 NOK

II.1.5. Short description of the contract or purchase(s)

KKE wants to enter into framework agreement with one supplier of construction materials and tools for assignments of varying scope and nature. The agreement involves the procurement of construction materials and tools, and shall be regulated by NS 8409 with the alterations and supplementations given in the framework agreement. For larger works, the contracting authority reserves the right to publish a separate tender contest.

KKE procures construction materials for approximately 500 000 NOK per annum. The estimated annual procurements is based on previous procurements, and it must not be seen as binding for the volume of procurements under this framework agreement. The procurement of construction materials will vary from year to year, in accordance with the contracting authority's needs.

The contracting authority requests a regular contact person for ordering of products. The supplier shall also appoint a person who shall function as a substitute when the regular contact person is absent.

See also annex 1; the requirement specification.
