Estimated value excluding VAT: 3 650 000 GBP

II.1.5. Short description of the contract or purchase(s)

Construction work. Construction work. Spectrum Property Care (SPC) is a long established wholly owned subsidiary of Spectrum Housing Group that is dedicated to becoming the best building and maintenance provider within the industry. We maintain, repair and improve in excess of 45,000 homes responding to the needs of 150,000 social housing residents across the South of England each year. Our principle activity is the provision of property contracting services to both Spectrum's Registered Providers and external organisations (mainly Registered Providers or public sector organisations). We cover the spectrum of repairs and maintenance services including emergency response repairs and voids. We have particular expertise in planned maintenance programmes including the installation of new kitchens and bathrooms, electrical rewires and upgrades, heating installations and servicing. The business geography covers a large portion of the South and South West Region including the Isle Of Wight through 5 business centres in Blandford, Poole, Frome, Ryde and Exeter. This framework is to identify a number of suitably qualified and experienced Sub Contractors who will be selected for inclusion to a multi trade Contractors Framework Agreement to fulfil requirements for the Ryde business centre which principally covers the Isle of Wight housing stock for Spectrum Housing Group. Other members of the Spectrum Group including Spectrum Housing Group and Spectrum Premier Homes will have the option to utilise the framework and services provided for the respective geographical coverage as required. As such the lots are structured to meet the Group's needs, with the Framework including Lots for Reactive / Responsive Works Requirements, and Project / Planned Works. Each Lot will include trade specific sections, contractors may tender with the aim of being appointed to 1 or more Lots. The selection criteria for all participants will be set out in the Invitation to Tender Documentation. The framework will require contractors to tender to provide one or more of the following services: Scaffolding, Fencing, Roofing, Groundworks, Water Mains Service & Repair, TV Aerials, Pest Control, Damp Proofing / Surveys / Wall Ties, Drainage, Pumping Station Service & Repair, Water Hygiene, Burglar Alarms, Door Entry Systems, CCTV, Fire Equipment (Servicing), Air Conditioning Service & Repair, Asbestos (Removal), Cleaning Services, Tree Surgery, Gas Domestic, Gas Commercial, Renewables, Flooring, Washdown, General Building Work (repointing / rebuilding), Lightning Protection and Workshop Joinery.

II.1.6. CPV code(s)

45000000 Construction work

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

As described in the Tender Documentation.

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: yes

Number of possible renewals: 1

II.3. Duration of the contract or time limit for completion

Duration in months: 24 (from the award of the contract)

3)

Quantity or scope

As described in the Tender document.

4) Indication about different time frame or duration

5) Additional information about lots

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

As described in the Tender documentation.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

As described in the Tender documentation.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

As described in the Tender documentation.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The Authority will apply all the offences listed in Article 45(1) of Directive 2004/18/EC (implemented as Regulation 23(1) of the Public Contract Regulations (PCR) 2006 in the UK) and all of the professional misconducts listed at Article 45 (2) of Directive 2004/18/EC (see also Regulation 23(2) in the PCR 2006) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at <http://www.delta-esourcing.com/delta/project/reasonsForExclusion.html#pcr>

Candidates will be required to answer these questions as part of the qualification process. For candidates who are registered overseas, you will need to declare if you have any offences /misconduct under your own countries laws, where these laws are equivalent to the Regulation 23 lists.

Candidates who have been convicted of any of the offences under Article 45(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 45 (2) may be excluded from being selected to bid at the discretion of the Authority.

Updated to comply with the Public Contracts Regulations 2015.

III.2.2. Economic and financial ability

List and brief description of conditions: (b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established

(c) A statement of the undertaking's overall turnover and, where appropriate, of turnover in the area covered by the contract for a maximum of the last three financial years available,

depending on the date on which the undertaking was set up or the economic operator started trading, as far as the information on these turnovers is available
Evidence that the economic operator and relevant organisations have or shall have at contract award, Employer's liability insurance, Public Liability Insurance and Product Liability Insurance.

III.2.3. Technical and professional ability

List and brief description of conditions:

(c) an indication of the technicians or technical bodies involved, whether or not belonging directly to the economic operator's undertaking, especially those responsible for quality control and, in the case of public works contracts, those upon whom the contractor can call in order to carry out the work

(f) The educational and professional qualifications of the service provider or contractor and/or those of the undertaking's managerial staff and, in particular, those of the person or persons responsible for providing the services or managing the work

(h) A statement of the average annual manpower of the service provider or contractor and the number of managerial staff for the last three years

As described in the Tender documentation.
