II.1.5. Short description of the contract or purchase(s)

DALO wishes a uniform solution for mounts for rifle optics and accessories kits.

Currently, the need for mounts regards the following weapons:

- H&K 417S;
- KAC SR25;
- Sako TRG42 (with optiloc);
- DSR-1;
- AI AW50.

There might also be a need for mounts for:

- Colt Canada C7 and C8 fleet;
- Rheinmetal MG3;
- US Ordnance M60E6;
- FN Herstal Minimi 5.56 and 7.62;

but the need depends on the tender for optics. However, the mounts offered must fit all weapons mentioned above.

The need for mounts for the Colt Canada C7 and C8 fleet also depends on the tender for optics. If mounts for the C7/C8 is required it will most likely be for the entire fleet — see also the additional information regarding the estimated value in II.2.1). However, this is uncertain at the moment.

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

Candidates are asked to submit applications for pre-qualification in 2 hardcopies and electronically on a CD/USB or equivalent medium to the contact person in I.1) in a sealed envelope marked 'Mounts for rifle optics — Application. Must not be opened in the reception'. In case of discrepancy between the hardcopy and the electronic version, the hardcopy shall take precedence.

The application for pre-qualification cannot be submitted by e-mail.

DALO have prepared a pre-qualification questionnaire which candidates are strongly encouraged to use when submitting their applications. The questionnaire contains questions, forms and templates for providing information etc. in accordance with the requirements in this Contract Notice. However, it is emphasized that it is the sole responsibility of the candidate that the information provided fulfils the requirements. The questionnaire is available upon request from the contact point stated in I.1) above.

Re. section II.1.4) and II.2.1): There might be a need for mounts for the Colt Canada C7 and C8 fleet, but this depend on the tender for optics. If mounts for the C7/C8 is required it will most likely be for the entire fleet which is estimated to a value of aprox. additional 50 000 000 DKK.

Re. Section III.2.1): Solemn declaration regarding the candidate's payment of taxes and social security contributions.

When submitting the offers (but not the application for pre-qualification), the tenderers must submit a solemn declaration stating to which degree the tenderer has fulfilled its obligations relating to the payment of direct and indirect taxes and social security contributions in accordance with the legal provisions of the country in which the candidate is established and in Denmark in accordance with consolidation act no. 336 of 13.5.1997 regarding public payments. A template for the declaration will be provided with the tender documents.

Re. Section III.2): Relying on the capacities of other entities:

According to the EU public procurement directives, a candidate may rely on the economic, financial and/or technical capacity of other entities, regardless of the legal nature of the links with the entities. If a candidate wants to rely on other entities and wishes that the capacity of other entities is taken into account when DALO assesses the suitability of the candidate, the candidate must prove that the other entities will and shall put the relevant resources at the disposal of the candidate.

A template for a declaration from the supporting entity to this effect is included in the pre-qualification questionnaire referred to above.

Non-compliance with formal requirements:

DALO reserves the right — but is not obliged — to use the remedies provided for in Section 12 of the Danish statutory order on procedures for the award of public supply contracts, public service contracts and public construction contracts (Order no. 712 of 15.6.2011) if applications or tenders do not fulfil the formalities of the tender documents.

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: Pursuant to Danish act no. 492 of 12.5.2010 with subsequent amendments on enforcement of the public procurement rules, complaints regarding a candidate not being pre-qualified must be filed with The Complaints Board for Public Procurement within 20 calendar days starting the day after the contracting authority has sent notification to the candidates involved, provided that the notification includes a short account of the relevant reasons for the decision.

Other complaints must be filed with The Complaints Board for Public Procurement within 45 calendar days after the contracting authority has published a contract award notice in the Official Journal of the European Union (with effect from the day following the publication date). However, if the tender concerns a framework agreement complaints must be filed with The Complaints Board for Public Procurement within 6 months after the Contracting Authority has sent notification to the candidates/tenderers involved that the Contracting Authority has entered into the framework agreement, provided that the notification included a short account of the relevant reasons for the decision.

The complainant must inform the contracting authority of the complaint in writing at the latest simultaneously with the lodge of the complaint to The Complaints Board for Public Procurement. The complainant shall state whether the complaint has been lodged in the stand-still period. If the appeal has not been lodged in the stand-still period, the appellant must also state whether it is requested that the appeal is granted delaying effect.
