South Thames College is one of the largest training providers in South London, with over 21,000 students per year studying over 2,000 courses.

Students come to South Thames College from all over the world; they are from many different social and ethnic backgrounds, and are of all ages. It is this hugely diverse student population, South Thames College's state-of-the-art learning and recreational facilities, leading edge technology and outstanding personal support, as well as strong business and community links, great track record and love of celebrating students' success that makes South Thames College such a vibrant and challenging place to study.

South Thames College take their vision and values very seriously. They believe they frame everything they do for their students, staff and the local community.

Their vision is to be an outstanding and inclusive college.

Their values underpin the work of South Thames College, inform their behaviour and make a significant contribution to achieving their ambitions and delivering their priorities.

South Thames College is committed to being:

— Innovative – championing new ideas to ensure growth and success,

— Nurturing – raising the aspirations and celebrating the talents of their learners and each other,

— Successful – challenging themselves to be outstanding in all that they do,

— Professional – achieving high standards of responsibility and accountability,

- Inclusive – maintaining a culture which is open and accessible,
- Respectful – valuing each other and their environment,
- Enterprising – being and ambitious and dynamic college.

South Thames College are also promoters of the Governments “Every Child Matters” agenda which has five supporting themes:

- Be healthy,
- Stay safe,
- Enjoy and achieve,
- Make a positive contribution,
- Achieve economic well-being.

VI.3. Procedures for review

VI.3.1. Review body

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: South Thames College have incorporated a standstill period at the point information on the award of the contract was communicated to tenderers. That notification provided full information on the award decision. The standstill period, which was for a minimum of 10 calendar days, provided time for unsuccessful tenderers to challenge the award decision before the contract was entered into. The Public Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

23.10.2014
