General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement — Fire and Rescue Vehicle, Brattvåg 2018

Reference number: 18/4941

II.1.2. Main CPV code

34144213 Fire engines

II.1.3. Type of contract

Supplies

II.1.4. Short description

The Contracting Authority would like to use this procurement to enter into a contract with a Tenderer for the procurement of one fire and rescue vehicle for Brattvåg (Haram municipality), with an option for a further two fire engines for Sandøy municipality and Vatne (Haram municipality) respectively.

The aim of the contract is to meet the Contracting Authority's need to a new crew vehicle, with good capacity and good performances as regards fire and rescue assignments. The vehicle must be delivered with a built-on chassis with the original double cabin, 4x4 and automatic gearbox.

II.1.5. Estimated total value

Value excluding VAT: 12 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

34144200 Vehicles for the emergency services, 34144210 Firefighting vehicles, 34144212 Water-tender vehicles, 34144213 Fire engines, 34913000 Miscellaneous spare parts, 34913700 Firefighting vehicle ladders

II.2.3. Place of performance

NUTS code: NO053 Møre og Romsdal

Main site or place of performance: Haram municipality

II.2.4. Description of the procurement

The Contracting Authority would like to use this procurement to enter into a contract with a Tenderer for the procurement of one fire and rescue vehicle for Brattvåg (Haram municipality), with an option for a further two fire engines for Sandøy municipality and Vatne (Haram municipality) respectively.

The aim of the contract is to meet the Contracting Authority's need to a new crew vehicle, with good capacity and good performances as regards fire and rescue assignments. The vehicle must be delivered with a built-on chassis with the original double cabin, 4x4 and automatic gearbox.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 12 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

End: 31/12/2019

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

An option is wanted for a further two (2) fire engines. The options must follow the same requirement specifications and price structure as for the procurement of the fire and rescue vehicle for Brattvåg. The Contracting Authority can choose to add or withdraw additional equipment and mobile equipment in accordance with the price sheet as required. The option will be valid until the end of the year (2018), subject to political approval.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

List and brief description of selection criteria:

An overview and brief description of the qualification requirements:

— Tax and VAT certificate

Documentation: For Norwegian tenderers: Tax and VAT certificate. The certificate shall not be older than 6 months from the tender deadline. Any arrears or other irregularities must be justified. (Tenderers can obtain the electronic tax and VAT certificate themselves and immediately receive it by email.)

Foreign tenderers: Tenderers who are not established in Norway shall submit equivalent Documentation issued by the authorities in the country where the Tenderer is established. The certificate shall preferably be translated into Norwegian, but it will also be accepted in Swedish, Danish and English.

— Credit rating

Documentation requirement:

The Contracting Authority will carry out their own assessment of the Tenderer's finances through the business and accounting information company Bisnode AS with the service CreditPro.

The Contracting Authority will not accept credit ratings from other business and account information systems than Bisnode AS with the service CreditPro in order to ensure an equal assessment of all tenderers.

The Tenderer can enclose other necessary information in the tender if the Tenderer believes that Bisnode/CreditPro does not provide a correct picture of the economic situation.

Newly established companies: Newly established companies who have not worked up a basis for a credit assessment must enclose a declaration from a bank or similar financial institution on the company's financial and economic standing. This also applies to foreign tenderers.

Minimum level(s) of standards possibly required:

Minimum requirements:

— Tax and VAT certificate

Requirement: Tenderers must have their tax, employer contributions and VAT payments in order in accordance with the legal provisions.

— Credit rating

Requirement: The financial capacity to fulfil the contract is required. A minimum requirement is that the tenderer is credit-worthy in accordance with Bisnode AS using the service CreditPro, or that the tenderer has the financial capacity to implement the contract, based on the Contracting Authority's assessment given in the submitted documentation from the Tenderer.

Newly established companies: Newly established companies must have the economic capacity to execute the Agreement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

— Experience.

Documentation requirement: a reference list with a minimum of 5 references must be attached, showing that the qualification requirement is met. For each reference assignment, information must be given on the assignment's content, scope, value, delivery date, Contracting Authority and contact person at the Contracting Authority with an email address and telephone number.

— Ethical and social requirements — Self-declaration

Documentation requirement:

Tenderers must fill in and attach a self-declaration form — Ethical and Social Requirements (Annex 3).

Minimum level(s) of standards possibly required:

— Experience:

Requirement: Tenderers are required to have experience from equivalent assignments in the last 3 years. Equivalent assignments are the delivery of a crew vehicle of an equivalent size and use. This means a crew vehicle of minimum 15 tonnes, water amount approx. 3000 litres and axel base of 4300 mm.

— Ethical and social requirements — Self-declaration

Requirement: Tenderers are required to comply with ethical and social requirements in their own company in accordance with annex 3, and to work to ensure the compliance of the sub-suppliers involved in the fulfilment of this contract.
