The contract is likely to be subcontracted: no

Section VI: Complementary information

VI.1. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.2. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the contract will be awarded on the basis of the most economically advantageous tender.

The UK's Automatic Traffic Counting (ATC) equipment consists of in-road and associated roadside recoding and communication equipment located at 296 locations. The equipment continuously classifies and records information from all lanes of vehicle traffic by means of an inductive loop and two piezoelectric axle sensors or 2 square inductive loops installed in each lane.

The Contracting Authority reserves the right not to award any contracts as a result of the procurement process commenced by publication of this notice and in no circumstances with the Contracting Authority be liable for any costs incurred by candidates.

The contract period will last for a period of 24 months with options for extension by two further periods each of up to 12 months.

Please e-mail Tony Moss (anthony.moss@dft.gsi.gov.uk) to request a set of Invitation to Tender documents.

VI.3. Procedures for review

VI.3.1. Review body

Official name: DFT

Postal address: Corporate Procurement Division

Town: Hastings

Postal code: TN37 7GA

Country: United Kingdom

E-mail: anthony.moss@dft.gsi.gov.uk

Telephone: +44 207944

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: The Department for Transport will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into. In the first instance such additional information should be required from the address provided in part 1.1. Following that if the parties still cannot resolve the matter then it should be escalated to the Deputy Director of Procurement, Great Minster House, 76 Marsham Street, London SW1P

4DR. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2006 (SI 2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

30.10.2013
