5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document (ESPD), Notice, Procurement Document

Criterion: Other economic or financial requirements

Description of selection criterion: Requirements of the tenderer's economic and financial capacity. Tenderers must have sufficient financial capacity to fulfil the contract. In order to fulfil the requirement, it is sufficient for the tenderer to be assessed as credit worthy based on Experians Commercial Delphi score. If a tenderer is assessed lower than credit worthy, the contracting authority can undertake an overall assessment based on additional information. The contracting authority will obtain a credit rating from Experian. If there is doubt, the Contracting Authority can obtain further information from the tenderer.

Criterion: Technicians or technical bodies for quality control

Description of selection criterion: Requirements regarding the tenderer's technical and professional qualifications. Tenderers shall have relevant experience. The following central works/areas are particularly relevant: Experience with the delivery of equivalent equipment requested in this procurement. Documentation requirement: Tenderers shall confirm that they fulfil this requirement when submitting their tender. Tenderers shall present the following documentation proof if requested by the contracting authority: - An overview of at least 3 (maximum 5) of the most important, relevant work performed during the last three years, including a short description of the assignment, the name of the public or private recipient, as well as information on value/amount/scope and date. A tenderer who is newly established and cannot submit references, must be particularly careful to document and substantiate that they still have the prerequisites required to carry out the assignment. Newly established tenderers can document that the requirement is fulfilled by referring to experience that the offered persons/resources have built up in the service of others than the tenderer.

Criterion: Technicians or technical bodies for quality control

Description of selection criterion: Requirements regarding the tenderer's technical and professional qualifications. The tenderer must have sufficient implementation ability.

Documentation requirement: Tenderers shall confirm that they fulfil this requirement when submitting their tender. Tenderers shall present the following documentation proof if requested by the contracting authority: - An account of how sufficient implementation ability shall be ensured for this assignment. Tenderers must give an account of the tools, materials and technical equipment that they have at their disposal for fulfilment of the contract.
