II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4.

Short description of the contract or purchase(s)

The contracting authority wishes to raise the production capacity of its Chart Production Section with regards to both electronic navigational charts (ENC's) and paper charts. In connection with this we are seeking to enter into an agreement with an external chart producer. We are in the process of updating our coastal chart series and it is with assistance in this task which we are initially seeking an external partner. There are at present a total of 6 coastal charts in this series.

The purpose of this procurement exercise will be to assist in the production of electronic navigational charts and paper charts.

In addition if there are available resources work on other charts in our chart portfolio may be required.

II.1.5. CPV code(s)
