Housing and community amenities

---

**Section II: Object**

**II.1. Scope of the procurement**

**II.1.1. Title**

ICT Infrastructure Contract

Reference number: V2C/PC1098/2019

**II.1.2. Main CPV code**

72222300 Information technology services

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The contract is for a solution to provide cloud based hosting, storage and backup services for V2C's business applications, wide area network and related security services, thin client end-user device solution and associated managed services to implement and support the solution. It is expected that the solution provided will optimally deploy public cloud services and will include migration of email to a public cloud service such as Microsoft Office 365 or Google G Suite. The solution provided will be highly-resilient and should include appropriate disaster recovery and/or business continuity services.

Bidders should refer to the Technical statement of requirements ('TSoR') appended at Appendix 2 of this ITT for full details of V2C's requirements and the services that the successful Bidder will be required to provide under the contract.

#### **II.1.5. Estimated total value**

#### **II.1.6. Information about lots**

This contract is divided into lots: no

### **II.2. Description**

#### **II.2.2. Additional CPV code(s)**

72251000 Disaster recovery services, 72253200 Systems support services, 72263000 Software implementation services, 72510000 Computer-related management services, 72511000 Network management software services, 72710000 Local area network services, 72720000 Wide area network services, 72910000 Computer back-up services

#### **II.2.3. Place of performance**

NUTS code: UKL17 Bridgend and Neath Port Talbot

#### **II.2.4. Description of the procurement**

The contract is for a solution to provide cloud based hosting, storage and backup services for V2C's business applications, wide area network and related security services, thin client end-user device solution and associated managed services to implement and support the solution. It is expected that the solution provided will optimally deploy public cloud services and will include migration of email to a public cloud service such as Microsoft Office 365 or Google G Suite. The solution provided will be highly-resilient and should include appropriate disaster recovery and/or business continuity services.

Bidders should refer to the Technical statement of requirements ('TSoR') appended at Appendix 2 of this ITT for full details of V2C's requirements and the services that the successful Bidder will be required to provide under the contract.

#### **II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6. Estimated value**

#### **II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 48

This contract is subject to renewal: yes

Description of renewals:

Three 1 yearly options to extend at V2C's discretion, giving a maximum potential term of 7 years.

#### **II.2.10. Information about variants**

Variants will be accepted: no

#### **II.2.11. Information about options**

Options: no

#### **II.2.13. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

#### **II.2.14. Additional information**

### **Section III: Legal, economic, financial and technical information**

#### **VI.3. Additional information**

Note: to register your interest in this notice and obtain any additional information please visit the Sell2Wales website at [https://www.sell2wales.gov.wales/Search/Search\\_Switch.aspx?ID=94521](https://www.sell2wales.gov.wales/Search/Search_Switch.aspx?ID=94521)

The buyer has indicated that it will accept electronic responses to this notice via the postbox facility. A user guide is available at [https://www.sell2wales.gov.wales/sitehelp/help\\_guides.aspx](https://www.sell2wales.gov.wales/sitehelp/help_guides.aspx)

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

Under the terms of this contract the successful supplier(s) will be required to deliver community benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The community benefits included in this contract are:

— V2C's commitment to deliver 'Community Benefit' outcomes is designed to ensure that wider social and economic issues are taken into account when utilising procurement processes for contracts and the spending of public money,

— V2C has identified specific community benefit commitments required from the tendering organisation successful in this procurement process and considers these to be proportionate and relevant to the subject matter.

Note: Any community benefits a bidder proposes to offer will not form part of the tender evaluation, or affect the tender scoring.

(WA Ref:94521).

The buyer considers that this contract is suitable for consortia.
