II.1.4. Short description

North Staffordshire and Stoke on Trent CCGs commission health services for around 503 000 residents and are inviting expressions of interest from providers to deliver a consultant led Tier 3 Community Gynaecology Service which will incorporate triage, see and treat, diagnose and manage gynaecological conditions. This will serve as an alternative to hospital based treatment for the majority of patients being referred by GPs for gynaecology services. The service will offer local, accessible, high quality care that would allow for appropriate signposting. The service will integrate with local GPs and Acute Specialist Services and should also have full responsibility for all operational management, administrative, staffing and training requirements and all associated costs. The proposed contract will be for 36 months with the option to extend by up to an additional 24 months subject to CCG approval.
