**I.4. Contract award on behalf of other contracting authorities**

The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description****II.1.1.**

**Title attributed to the contract by the contracting authority**

Purchase of planning and engineering design services. Preliminary project, development plan and construction plan for national road 111, public transport lane Årum bridge.

**II.1.2. Type of contract and place of performance or delivery**

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Moss, Fredrikstad, own office.

NUTS code NO Norge

**II.1.3. Information about a framework agreement or a dynamic purchasing system**

The notice involves a public contract

**II.1.4. Information about framework agreement****II.1.5. Short description of the contract or purchase(s)**

The contract comprises consultancy, planning and engineering design services for the widening of national road 111 with a 2-sided public transport lane over the E6 at Årum in Fredrikstad municipality. A new bridge shall be planned. The plan shall include good solutions for pedestrians and cyclists, as well as facilitating public transport stops. The solution shall provide sufficient capacity in junctions and on ramps so that traffic does not queue back onto the E6.

Development plans are to be prepared including a technical detail plan with the accompanying reports as specified in this tender documentation, as well as the provision of general assistance in the formal planning process. A preliminary project shall be prepared for a new bridge over the E6. The contract also includes a construction plan, i.e. preparation of the complete tender documentation chapters A-E including drawings for contract(s). Follow-up in the construction period and completed road drawings are included in the contract.

**II.1.6. CPV code(s)**
