Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

The initial agreement period is approx. 1.5 years, from the signing the agreement until and including 2023, with an option an extension for 2024.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirements: Tenderers must be a legally established company.

Documentation:

Norwegian companies: Company registration certificate or a printout from the Unit Register for sole proprietorships not required to register.

Foreign tenderers: Verification that the tenderer is registered in a trade or business register as prescribed by the law of the country where the tenderer is established. Confirmation can be delivered in writing or by reference to BRIS.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: Paid taxes and duties.

Documentation:

A certificate, not older than 6 months, which verifies that the tenderer has fulfilled the obligations of payment of taxes, social security contributions and VAT. The certificate can be ordered and obtained from Altinn by using a separate link on skatteetaten.no. If this is not possible, it can be ordered from the tax collector or the Norwegian Tax Administration. The certificate is electronically certified and is therefore not signed. For further information, see skatteetaten.no.

Foreign tenderers must provide certificates from equivalent authorities to the Norwegian authorities.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: Tenderers must have sufficient ability and experience to carry out the delivery.

Documentation: A description of the tenderer's up to three most relevant assignments in the last three years, together with information on the contract's value, date of delivery or execution, and the name of the recipient.

Relevant assignments are in this context defined as assignments related to the formulation and implementation of systematic knowledge overviews or knowledge summaries, assignments related to scope surveys and dark figures, assignments related to crime development, data security, technology and associated research areas.

Tenderers are responsible for ensuring that the description is of such a nature that it verifies compliance with the requirement.

Section IV: Procedure
