II.1.4. Short description

Hadsel municipality's technical operations department, also referred to as the contracting authority, is responsible for the operation and maintenance of the municipal roads in Hadsel municipality.

Hadsel municipality invites tenderers to an open tender contest for a framework agreement for winter maintenance work on selected lots. Winter maintenance is in this context defined as ploughing, clearing, and sanding/salting.

A contract will be entered for each lot. Tenders may be submitted for one or more of the lots. Tenderers who have submitted tenders for several lots can in principle be awarded a contract for one lot and lose on others lots. If the tenderer submits a tender for several lots, a prioritisation of the lots must be given in the tender.
