II.1.4. Short description

As a joint funded venture between the Buckinghamshire Thames Valley Local Enterprise Partnership (BTVLEP) and the Satellite Applications Catapult (SAC), we have agreed to establish a 5G Step out Centre (SoC) focused on resilient communications and ubiquitous Internet of things (IoT). At the heart of Buckinghamshire, the centre will be located at Westcott Venture Park this new facility will give hardware, software, platform and applications developers' access to the latest generation of networking equipment without the need to invest in expensive infrastructure. This will allow them to rapidly prototype and commission new services and applications under representative real-world conditions ahead of market roll-out. Westcott will be developed as an inherent part of a 5G test-bed ecosystem.
