2.1. Procedure

Title: NRK MA3261/19E - Dynamic Purchasing System ICT Consultants

Description: NRK has carried out a procurement of assistance with restructuring to product orientation.

Procedure identifier: a19988ea-b121-4cbf-b621-9f707ac8dbd3

Previous notice: 102758-2020

Internal identifier: 2026/391

Type of procedure: Restricted

The procedure is accelerated: no

Main features of the procedure: In order to succeed in the restructuring work, NRK would like assistance from a consultant who has participated in the restructuring of technology environments towards a product orientated model and who has the ability to see this in light of an overall transformation of the business. Central areas of responsibility: Readjust the Technology and Product Division to a product organisation, as part of the Restructuring Team, and in the long term potential Speed and Flow. The assignments will, for example, consist of: Finding an appropriate organisation of the division that will also contribute to NRK's future service model, including preparing assignments or product strategies, recommending composition within product areas, recommending work methodology, roles etc. Contribute to an involving change process that benefits from competence and experience in and outside the division, and that builds trust in the restructuring work. Contribute with experiences, theory and best practice from other entities, and adapt this to NRK's context. Start and support product areas and other units in the division. Developing framework conditions that contribute to ensuring the success of the product areas, including further development of the management structure, target process, methodology, roles etc. Building scalable structures that contribute to safe and correct execution of the work at managers and employees in key roles in and around the product areas. Increase the understanding of product orientation and the restructuring in and outside the Technology and Product Division. As a part of the Restructuring team, the restructuring team contributes to organising and implementing the restructuring work in the most appropriate way, with the correct pace and quality for both the team and the division. Ensure that contributions in TPD's restructuring play well with other initiatives for changes in NRK.
